

EMMANUEL U. OKECHUKWU

Abuja, Nigeria · 234 8133047531

okechukwuemmanuel79@gmail.com · [Portfolio](#) · [Linkedin](#)

Creative and detail-oriented professional with a strong foundation in business management and over 10 years of experience in design and digital solutions. Skilled in graphic design, UI/UX, front-end development, and video editing, with proven ability to manage projects end-to-end and collaborate across departments to deliver impactful solutions. Enthusiastic about innovation, problem-solving, and translating business goals into functional, user-friendly products.

EXPERIENCE

2025 - 2026

CREATIVE DESIGNER, HAVOSOFT

- Lead creative design initiatives across multiple departments (optics, tech, sales, marketing) to bring products and campaigns to life.
- Design engaging visuals, user interfaces, and marketing materials aligned with brand objectives.
- Develop and refine front-end solutions using modern web technologies.
- Create and edit multimedia content, including promotional and explainer videos.
- Collaborate with stakeholders to ensure design outputs meet both business and user needs.
- Led UI/UX design and front-end implementation for multiple internal and client-facing products across tech, HR, and sales systems
- Designed dashboards, admin panels, and user workflows that improved usability and reduced user friction
- Built responsive front-end interfaces using modern web technologies (HTML, CSS, JavaScript)
- Collaborated with developers and product stakeholders to translate business requirements into scalable design solutions
- Created design systems and reusable components to ensure consistency across products
- Produced marketing creatives and product visuals that supported product launches and campaigns

2024

UI/UX DESIGNER, FIXXSOFTS I.S.

Designed and developed a user-friendly exam preparation app that allows students to generate customized practice questions across various subjects. The app includes a feature where students can upload notes, and the system generates relevant questions from their content. Leveraged Google's Gemini AI to not only create questions but also provide detailed explanations for each answer, enhancing the learning experience. Focused on creating an intuitive user interface (UI) and seamless user experience (UX), ensuring that students can easily navigate the app and access study materials with minimal friction

2023 - 2024

FRONT END DESIGNER (UI/UX), EPHOD

I create visually appealing and intuitive designs, conduct usability testing, maintain design systems, and collaborate with developers to ensure cohesive, brand-aligned solutions while effectively communicating design decisions to stakeholders.

2023 – 2024

FRONT END DESIGNER (UI/UX), PLSUBEB

Collaborated with the Plateau State Education Board to design and develop a user-friendly attendance system for schools. The system enabled teachers and administrators to efficiently track student attendance using Google’s Gemini AI, which recognized text from images and processed it into usable JSON formats. Worked closely with UI designers to ensure the interface was intuitive, enhancing the user experience for non-technical users, while also collaborating with backend engineers to integrate the automated data processing seamlessly into the system. The project streamlined attendance tracking and improved data accuracy through an innovative and accessible solution.

JUNE 2023

WEB DEVELOPER (WORDPRESS), ELBUBA FOUNDATION

Developed the official website for ELBUBA FOUNDATION an NGO that focuses on uplifting the underprivileged in Nigeria, especially in North-Eastern Nigeria.

MARCH 2023

GRAPHIC DESIGNER/ SOCIAL MEDIA HANDLER, TOTAL WOMAN MAGAZINE

Collaborated with the marketing team to design and execute social media campaigns, create visually appealing graphics, manage content calendars, post and engage on social media channels, and ensure all content aligns with brand guidelines for consistency across platforms.

JULY 2022

TEACHER (NYSC), GOVERNMENT SECONDARY SCHOOL ADIABOR, CALABAR, CROSS RIVERS STATE

- Graded exams, tests, quizzes, assignments, and presentations.
- Ensured alignment with curriculum, school, and state requirements.
- Analysed prescribed texts and resources to create effective lesson plans and curricula.
- Collaborated with fellow teachers to learn and adopt new teaching methods, strategies, and classroom management techniques.
- Delivered engaging history lessons covering various time periods, movements, historical events, and figures.

APRIL 2017

SUPERVISOR, M.D, J.P UDOKS OIL AND GAS LTD, JOS PLATEAU STATE

- Developed effective work schedules to meet deadlines and ensure full staffing.
- Utilized leadership and problem-solving skills to optimize team efficiency and workflow.
- Conducted employee evaluations to provide feedback and set future performance goals.
- Ensured compliance with company policies and communication objectives.
- Maintained organized production areas to prevent delays and safety hazards.
- Addressed customer complaints, resolved issues, and adapted policies to evolving needs.

- Prepared and presented quarterly performance reports to leadership.

MARCH 2015

INTERNSHIP, FRANKLIN AKANDE ACCOUNTANCY FIRM, JOS PLATEAU STATE

- Assisted colleagues in resolving technical issues with accounting software, including SAP, Oracle, and Excel.
- Highly recommended by the Director of Accounting to support colleagues across different departments and teams.
- Reconciled credit card statements to ensure financial accuracy.
